## Wednesday Challenge Form

Group Members: Even, David, and me

**Problem Statement:**We were judges for the Wednesday challenge. We had to grade and run the challenge.

**Approach:**We first took the sketchup files from each of the team's laptop. Then we distributed the files to different groups. After that, we collected the E's the groups. Fianlly we graded

**Solution:**the E's were Graded and submitted.

**Lessons Learned:**always back up files on a computer if using a flashdrive
